PROFESSIONAL EXPERIENCE

Portsmouth FC (League One) - London Regional 1st Team Player Scout

Feb 2022 – June 2023 (Part time)

Conducted thorough scouting of players in the London region for potential recruitment to the 1st team. Key skills and experiences include:

- **Player Identification:** Successfully identified and evaluated potential talent within the London region, aligning with Portsmouth FC's scouting criteria and team needs.
- **Data Analysis:** Utilised data-driven approaches to analyse player performances, providing comprehensive reports to assist decision-making in player recruitment.
- **Scouting Network Collaboration:** Worked collaboratively with the scouting network to ensure a comprehensive understanding of the regional player pool and to leverage collective insights.
- **Communication:** Maintained effective communication with recruitment staff, coaches and management to convey scouting findings, contributing to strategic discussions on player acquisitions.

Solihull United FC - Joint Assistant Manager

Sept 2020 – March 2021 (Part time)

As the Joint Assistant Manager for Solihull United FC in the Midlands Football Division 2, I played a crucial role in the team's operations during the part-time tenure from September 2020 to March 2021. Key experiences and skills include:

- **Team Management:** Collaborated with the coaching staff to manage and motivate the team on match days, undertook half time team talks, focusing on enhancing player performance and overall team dynamics.
- **Tactical Planning:** Contributed to tactical planning and strategy discussions, providing valuable insights into opponents' strengths and weaknesses.
- **Player Development:** Worked closely with players on skill development and overall performance improvement, fostering a culture of continuous improvement.
- **Match Analysis:** Conducted match analysis to identify areas for improvement, enabling the coaching staff to make informed decisions for future games.

Tranmere Rovers FC - London Regional 1st Team Opposition Analysis and Player Scout (League Two & League One)

June 2018 – Sept 2020 (Part time)

In my role as London Regional 1st Team Opposition Analysis and Player Scout for Tranmere Rovers FC, spanning from June 2018 to September 2020, I contributed significantly to the team's performance analysis and player recruitment efforts. Key experiences and skills include:

- **Performance Analysis:** Conducted in-depth analysis of upcoming opponents and individual player contributions, providing valuable insights to the recruitment and coaching staff.
- **Player Scouting:** Identified and scouted potential players in the London region, aligning with Tranmere Rovers FC's playing style and strategic goals.
- **Data Utilisation:** Leveraged data analysis tools and platforms to extract meaningful insights, contributing to informed decision-making in player recruitment.
- **Collaboration:** Collaborated closely with coaching and scouting teams to align player recruitment with the club's strategic objectives.

Chester FC - Southern Regional Analysis and Player Scout (Conference National League)

Oct 2017 – June 2018 (Part time)

I contributed to the club's player recruitment strategy and opposition performance analysis. Key experiences and skills include:

- **Regional Scouting:** Focused on opposition and player scouting in the Southern region, identifying prospects suitable for Chester FC's playing style and team needs.
- **Performance Evaluation:** Evaluated player performances through detailed analysis, providing valuable input to coaching staff and management.
- **Networking:** Built and maintained relationships within the Southern region's football community, expanding the club's network for potential player acquisitions.
- **Collaboration:** Collaborated with coaching and scouting teams to ensure alignment between scouting efforts and the club's overall strategy.

Chelsea Women's Team | 1st Team Opposition Analysis Scout

Apr 2016 – Aug 2016 (Part time)

I undertook opposition performance analysis. Key experiences and skills include:

- **Women's Football Analysis:** Contributed to the analysis of women's football matches, providing insights into player performances and team dynamics.
- **Scouting:** Identified and scouted potential talents for the 1st team, aligning with Chelsea Ladies playing style and strategic objectives.

- **Report Writing:** Prepared detailed opposition scouting reports, offering comprehensive evaluation of teams and players with recommendations for potential recruitment targets.
- **Collaboration:** Collaborated with the 1st team manager and coaching staff to integrate scouting findings into the team's strategic planning.

Solihull Moors FC - Chief Scout

(Conference North & Conference National League)

Nov 2011 – Oct 2017 (Part time)

I played a pivotal role in player recruitment, opposition analysis and wider team development. Key experiences and skills include:

- **Strategic Scouting:** Developed and implemented strategic scouting plans, aligning with the club's long-term objectives, and playing style.
- **Player Identification:** Identified and scouted talented players, contributing to successful player acquisitions and team strengthening.
- **Data Analysis:** Utilised data analysis tools to assess upcoming opposition teams, player performances and potential contributions to the team.
- **Networking:** Established a strong network within the football community, fostering relationships with agents, coaches, and other scouts.
- **Leadership:** Provided leadership to the wider coaching staff, ensuring effective collaboration and the achievement of the team's objectives.
