Code window, Sportscodel, Hudl, Wyscout  
Own team analysis, Pre-Live-Post Match analysis,  
Opponent analysis, Training analysis  
Football tactics  
Data analysis  
Scouting

### OBJECTIVE

Seeking to transition from a successful 13-year career at Sales and as Sales Supervisor to a Football Analyst / Scout role, where I can combine my extensive analytical acumen, strategic mindset, attention to detail and my passion for football to deliver valuable insights into player/team performance analysis and development, game strategies/patterns and statistical trends. Eager to apply my proven track record and working experience of data driven decision making, teamwork and leadership skills to excel into a dynamic and competitive football club analysis department.

### WORKING PROJECTS
