Profile

With over 30 years of playing and coaching experience, I bring a wealth of expertise and a clear vision to the role of Technical Director. My soccer philosophy emphasizes an attractive, offensive style of play and a developmental approach tailored to individual growth at younger ages, seamlessly transitioning to unit and team dynamics for older players. I have a proven track record of mentoring coaches, fostering strong team culture, and implementing structured frameworks that drive player performance and program success. Committed to safety, inclusivity, and a positive environment, I am confident in my ability to lead and elevate your soccer program to new heights.
