

# MOHAMMAD KHASAWNEH

## WORK HISTORY

### DIRECTOR - OLYMPIC PREPARATION DEPARTMENT

*Jordan Olympic Committee, Jan 2022 – Jan 2024*

- Operating the Olympic Preparation Program (OPP) which requires coordination between different departments of the Olympic Preparation Center (training site, gym, m clinic, kitchen) and the National Federations and its high performance athletes.
- Designing a road map for Jordanian high performance athletes to achieve international success.
- Managing the financial budget and athlete/ sport selection criterion and coordinating with other departments of the JOC.

### TECHNICAL ADVISOR

*German International Cooperation (GIZ Jordan), Dec 2016 – Feb 2020*

- Developed, organized, managed and conducted workshops in the "sport for development" methodology that targeted school teachers, university students and football academy coaches.
- Co-author of the "Sport Builds Generations" training manual that provides guidance for trainers to apply the "sport for development" methodology during regular sports sessions with children and youth.
- Main author of the "Football Builds Generations" supplement, which provides football-specific references.
- Organised and managed the full season programme of 80 grassroots teams from across Jordan including weekly training sessions, league matches and football festivals for more than 1000 boys and girls.

### COORDINATOR

*Jordan Football Association (JFA), Jul 2014 – May 2017*

- Established the core of operations for the 13 Prince Ali Girls Grassroots Centres in Jordan, which focused on spreading the game, talent identification, player development and coaching education.
- +40 graduates have joined the Jordanian women's youth teams since I joined the program.
- Team manager of the Jordan under-16 boys national team (from February to July 2015).
