PROFILE

Accomplished coach, skilled in developing tailored training strategies for diverse age groups, fostering individual growth within cohesive team settings. Proficient in match analysis, utilizing data-driven insights to drive strategic decisions. Proven track record in managing multiple teams, cultivating a culture of discipline, growth, and on-field success while prioritizing holistic player development.

RELEVANT WORK EXPERIENCE (Last 3 coaching and analysis jobs)

2023 - Present

APOEL FC

U15 Head Coach

- Developed tailored training sessions for U15 players to enhance technical skills and tactical understanding.
- Mentored and motivated players, fostering a positive team environment for growth.
- Achieved notable wins and progression, showcasing coaching effectiveness.

2022 - 2023

Apollon Limassol FC

1st Team Analyst

- Conducted thorough match analysis, offering key insights for strategic enhancements.
- Utilized data analytics to aid in decision-making and tactical planning.
- Prepared detailed reports for the coaching staff, contributing to game strategies and at the same time involved in the training sessions as assistant coach

2020 - 2022

Anorthosis Famagusta FC

U14, U15 and U19 Head Coach

- Designed age-specific training programs, facilitating player progression across teams.
- Guided players through developmental stages, focusing on individual growth within a team setting.
- Progressed from U14 to U19 by showing successful results through team's and player's development
