

CURRICULUM VITAE BERTONCINI PAOLO

I am writing to express my interest in the position of strength and conditioning coach trainer within your esteemed organization. My extensive experience in football and sports science, spanning over 10 years in youth development at Piacenza Football, as well as my work in Serie C, D, has equipped me with a deep understanding of working dynamics, planning, and structuring individual training sessions.

My career has also provided opportunities to explore other sporting disciplines, such as volleyball, driven by curiosity and a passion for continuous learning. Furthermore, my work in my rehabilitation studio has honed my expertise in the treatment of musculoskeletal pathologies, enabling me to effectively manage rehabilitation processes across all phases.

I am confident that my contribution to your team would bring fresh ideas, collaborative energy, and innovative perspectives. I would greatly appreciate the opportunity to discuss how my skills and experiences align with your organization's needs.

Thank you for considering my application. I look forward to the possibility of contributing to your team and would be delighted to discuss my qualifications further during an interview.
