Umberto Fabbri

Bringing together a business background with a passion for football, seeking opportunities to leverage scouting and talent identification expertise in the dynamic football industry

Work experience

Football Research Analyst - Serie B

August 2022 [Moon Intelligence LLP](#) Turin, Italy

- Provide in-depth pre-match analysis, including previews and expected line-ups for Serie B games
- Compile and analyze live match data, including expected goals (xG), and deliver written updates
- Maintain and update comprehensive data spreadsheets for the assigned league, ensuring accuracy and timeliness

First Team Scout

From October 2021 to June 2023 [Ascoli Calcio 1898 FC S.p.A.](#) Turin, Italy

- Conducted live and video scouting to identify professional players for the first team across Serie B, Serie C, and Primavera 1 U19 leagues
- Evaluated players' technical, tactical, and statistical abilities to create comprehensive scouting reports
- Collaborated with the coaching staff to provide insights and recommendations on potential player acquisitions
- Utilized video scouting software to analyze player performances
- Attended football matches and tournaments to scout players in person
- Stayed up-to-date on transfer market trends and youth football developments

Datascout

From September 2019 to June 2021 [Transfermarkt GmbH & co.](#)

Extracted, transformed, and analyzed sports data to gain valuable insights into player performance, team strategies, and market trends.

Freelance Football Scout

From October 2018 to December 2021 Turin, Italy

Identified talented players via live scouting and WyScout, prepared reports and player profiles, facilitated introductions with families, and assisted clients. Collaborated with agencies in Italy, Israel, Scandinavia, and UK (Quorum Sports, Sport Stars Consulting, Domenico Cuccarese, 90.11 Management, Soleon Sports)

Additional education

Goalkeeper Scouting

March 2019 [Cataliotti Football Workshop](#) Reggio nell'Emilia, Italy

Completed a specialized course focused on identifying and evaluating goalkeeper talent, enhancing my ability to assess key attributes and potential.

Sports Law & FIGC, UEFA and FIFA Regulations

July 2019 [Cataliotti Football Workshop](#) Reggio nell'Emilia, Italy

Completed a comprehensive professional course focusing on sports law, with an in-depth examination of FIGC, UEFA, and FIFA regulations governing player transfers

The FA level 1 in Talent Identification

January 2019 [FA Education](#)

Successfully completed The FA's Talent Identification Course, demonstrating a commitment to professional development and expertise in scouting methodologies

Football Match Analysis & Opposition Analysis

November 2018 [Cataliotti Football Workshop](#) Reggio nell'Emilia, Italy

Completed a professional match and opposition analysis course, culminating in a practical exam, to enhance my ability to evaluate player and team performances

Football Talent ID

October 2018 [Cataliotti Football Workshop](#) Reggio nell'Emilia, Italy

Completed an intensive professional scouting program, encompassing theoretical and practical modules, culminating in a final practical assessment at Centro Sportivo Parma Calcio 1913.

Education

Bachelor's Degree in Business & Management

From October 2015 to July 2019 [Università degli Studi di Torino](#) Turin, Italy

Completed a 3-year business management degree program entirely taught and assessed in English
