## 📁 EMPLOYMENT HISTORY

### Talent Scout at FC Standard de Liège

October 2023 — Present

- Identifying potential players for recruitment by actively attending matches and tournaments in Montenegro.
- Analyzing individual players' skills, strengths, weaknesses, and overall performance during matches, providing valuable insights for ongoing assessment and recruitment processes.
- Writing detailed reports on targeted players, and providing insights into their technical abilities, tactical awareness, physical attributes, and mental strengths.
- Collaborating with the Scouting Department for strategic insights.

### Football Performance Analyst at MPS Data

January 2023 — Present

- Video scouting and performance analysis.
- Categorisation of data events.

### Data Collector at IMG ARENA

July 2022 — Present

- Providing accurate football and basketball data using data collection software.
- Writing post-match reports.

### Football Scout at Select Sports Agency

November 2022 — February 2023

- Monitoring players with high potential and outstanding skills and style.
- Reaching out to talented footballers and conducting preliminary interviews to understand their motives and professional goals.
- Coordinating contract negotiations between footballers and the agency.

### Sports Data Analyst at SportsModule Ltd

January 2021 — January 2022

- Attending sports events.
- Collecting live data during football games (such as Match Kick-Off, yellow/red cards, corners, goals, shots, free kicks, etc.) in Montenegro, using browser-based mobile tool.
- Providing post-match reports.
