UNIVERSAL TWENTY TWO

After finishing my career as football player I joined Universal Twenty Two players agency (<https://universaltt.com/>).

In this worldwide respected and succesful agency that representes players at the top level (Luka Modrić, Alexander Isak, Emiliano Martinez etc.) I spent the first five years in football scouting, which gave me amazing insight on how the industry actually works and helped me deepen my understanding of the crucialities of the job.

Results of my work for the agency are the two talented players, beyond others, I scouted and brought in at the time: Lazar Samardžić – currently playing for Atalanta BC (Italy) and Vladan Kovačević – currently playing for Sporting CP (Portugal).

LUGANO FC

CHICAGO FIRE FC

LUGANO FC & CHICAGO FIRE FC

In 2021 I accepted an offer to join Lugano FC and Chicago Fire FC, two clubs owned by Mr. Joe Mansueto.

My task, given by the directors Sebastian Pelzer and Georg Heitz was to cover Eastern Europe, dominantly the Balkan region.

Intensity of traveling and live-match scouting was high, sometimes including trips to Africa and Scandinavia to explore those markets.

In 2023 as a result of my scouting reports Chicago Fire FC decided to bring player Hugo Coypers from KAA Gent (Belgium) and pay the fee of €12 millions.
