SCOUTING VIDEO (1-5-3-2 si 1-4-4-2)

1. Profil numar "3", stoper in 442 si in 532. Mi s-a parut mai bun in "4", decat in "5" paradoxal. In 4 e fortat sa joace mai mult mingea, sa fie mai mobil cu si fara mingea in actiuni si interventii – fara calitate insa! In "5" isi pune in valoare capacitatile fizice fara prea multe realizari.
1. **CALITATI DE BAZA**: agresivitate peste limita, forta bruta, joc la interceptie intre linii, citeste binisor jocul si isi i-a adancime pe mingea descoperita (uneori prea mult), joaca simplu – nu risca in posesie in situatii limita (uneori mai face si prostii), joc de cap mediu, foloseste uneori si piciorul drept, plus de comunicare non-verbala cu colegii (spirit de echipa)
2. **DEFECTE**: nu poate construi de jos (paseaza fara sa fie atacat, nu ataca spatiul cu mingea, prefera sa joace de cele mai multe dati "lateral si lung"), lent si greoi in miscari, fara viteza de reactie-deplasare (are doar fuleu, alearga cu pasii mari, nu exceleaza in duelurile 1x1, rudimentar in procedee de deposedare (se intoarce atacantul usor cu el sau il pierde) - nu face progresie cu mingea la picior in zona 2, sufera la marcajul in careu si in afara lui impotriva diferitelor tipuri de atacanti (vezi Markovic in 6m recent, Lukassen sau o aripa de viteza cu duble sau triple demarcari), are obisnuita de a da atacuri decisive in tusa, de a pune mana pe adversar si a face faulturi stupide, plasament si cu bune, dar mai ales cu rele, ceva probleme si pe tranzitia negativa! **ATENTIE!**
3. **IMPOTRIVA ADVERSARILOR PUTERNICI** – discret, nu face diferenta cu si fara mingea
4. **IMPOTRIVA ADVERSARILOR MEDII-MICI** – iese in evidenta gratie fortei, jocului de anticipatie, a curajului de a pasa chiar si intre linii insa fara o progresie care sa multumeasca.
5. **CONCLUZIE** - Avand in vedere ceea ce se cere la Universitatea Craiova, pentru mine este un jucator normal de Liga I, cu marja de crestere medie.

PROFIL UMAN – social media + interviuri

- Obiectiv: Vrea sa ajunga in Premier League, accepta si pasi intermediari
- Fel de a fi: introvertit, emotiv, direct-sincer, legat mult de mama lui
- Pasiuni: citit (filosofie), familie si prieteni, play-station
- Nu este activ pe social media, isi tine viata privata, postand poze cu el din meciuri
- Interesanta poza de profil dpdv "psihologic"
- Mama sa este logodnica lui Daniel Chirita, fostul jucator al Petrolului
- Laudat foarte mult in presa Bucuresteană, i se mareste cota constant, cerandu-se pe el 1,5 mil euro, o suma exagerat de mare

Imi asum acest raport scris statistic, tehnic si analiza video a acestui jucator!
Antrenor secund/Analist – Marius Francisc
