EDUCATION

International Master in Sports and Lifestyle Management

Since October 2024

Rome Business School Rome, RM, Italy

- Acquired knowledge of club operations, financial management, talent scouting, and strategic planning to enhance team performance and commercial success.
- Gained expertise in fan engagement, sponsorship strategies, brand management, and digital marketing tailored to the sports industry.
- Developed an understanding of legal aspects in sports, including contracts, intellectual property, player rights, and regulatory compliance.
- Learned logistics, facility operations, risk management, and event planning to ensure seamless execution of sports events and maximize fan experience.
- Obtained expertise in budgeting, revenue generation, financial fair play regulations, and long-term financial planning to ensure club stability and growth.

BSc International Business Administration

From September 2021 to August 2024

University of Twente Enschede, Netherlands

- Developed expertise in analyzing global market dynamics, formulating business strategies, and optimizing organizational performance.
- Gained knowledge in corporate finance, management accounting, IFRS standards, auditing, and risk management.
- Strengthened analytical and problem-solving skills using financial data, business intelligence, and performance metrics.
- Obtained leadership abilities through hands-on experience in team coordination, process optimization, and decision-making in complex business environments.
- Learned market research techniques, brand management strategies, and digital marketing principles to enhance customer engagement and business growth.
- Gained expertise in logistics, procurement, and supply chain optimization to improve efficiency and global competitiveness.
- Developed knowledge of ethical business practices, sustainability strategies, and corporate governance.
- Wrote my bachelor's thesis about the required skills and competencies for a procurement professional in the context of the EU's CSDDD (Corporate Sustainability Due DIligence Directive).

Exchange Semester Grand École (Major Finance)

From August 2023 to December 2023

KEDGE Business School Bordeaux, France

- Obtained knowledge in financial decision-making, capital budgeting, risk assessment, and valuation techniques to optimize corporate financial performance.
- Developed skills in cost analysis, budgeting, and performance evaluation to support strategic decision-making and operational efficiency.
- Learned international financial reporting standards (IFRS), ensuring compliance with global accounting principles and financial statement preparation.
- Acquired expertise in auditing procedures, risk assessment, internal controls, and regulatory compliance to safeguard financial integrity.
- Gained proficiency in investment analysis, asset allocation, risk diversification, and portfolio optimization to maximize returns while managing risk.

Pre-University Education (VWO)

From September 2013 to May 2019

SG de Waardenborch Holten, Netherlands

WORK EXPERIENCE

Warehouse Employee

Since October 2019 (5 years+)

Baktotaal Bouwhuis B.V. Goor, Netherlands

- I gradually took on more responsibilities, which led to my current role as a shift leader for the warehouse workforce.
- In my role, I assign and monitor tasks, resolve issues that hinder employees from completing their work, and ensure outgoing orders are ready for shipment.
- I apply my planning, communication, and problem-solving skills to ensure efficient and effective work.
