ADDITIONAL INFORMATION
At the position of Central Defender I show my best qualities, but my influence on the game is most effective in the position of Goalkeeper.

Since 2014, I have mainly played as a Goalkeeper. I have medals and diplomas for prize-winning positions. In 2022 and 2023, our team, in which I held the position of Goalkeeper in the person of the team Captain, took the national championship two years in a row.

#### STRENGTHS

I am completely healthy, no injuries. My landing accuracy is 70%. I have short and long distance running technique.

I am hardworking, well-trained. This combination allows me to work effectively on mastering new and improving existing techniques and its bundles.

As my coaches say I have an innate ability to make quick and correct tactical decisions, I am a thinking player, creative and innovative.

Possesses a wide technical arsenal, which includes many types and variations of passes, kicks and other techniques.

I am the (two-legged) football player. The leading leg is left, but in the relevant game moments I use the right leg.

I have a good level of general and special endurance. In all games, according to the coach, I was the best in this physical quality.

I have high "fighter" qualities. I can and like to fight hard for the ball.

I am very disciplined and responsible approach to the coach's assignment for the game. I try to fulfill the set tasks as close to the set-up as possible.

I am good at "reading" the game. I am stable, good concentration in the game.
