EXPERIENCE

Accreditations Manager u-20 FWWC Colombia 2024:

During the last world cup held in Colombia i work as an accreditation manager having a team of over 70 people under my management. We deliver the tournament with no troubles and print over 5000 accreditations in 4 venues and 3 different cities across the country

TLO Chilean national team and Libertad Limpeño:

I had the opportunity to participate in the Copa america and Copa Libertadores Femenina 2023 as the link between Conmebol and the teams. I provided logistical support in aspects such as security, transportation, health and any help the delegation needed during the tournament. I also got a recomendation letter from libertad due to the good quality of my Job

Real Club Deportivo España (2023) Marketing and sales intern:

I did my internship for my master´s program in football business. I have developed a marketing strategy in order to bring more fans to the stadium and impulse the selling of the clubs merchandizing. I helped the club to open their 2 first stores

SAP (2022) Field Marketing Analyst

I worked in the marketing area where I plan and execute different events for c-levels to encourage more demand generation.

Cabify transportes S.A.S (2020-2021) Growth intern

Managed communications for both drivers and users. I also had full management over the companies social media in Colombia (Facebook, Twitter, instagram and tiktok), finally I worked on different marketing campaigns and sponsorships.

Hb International Corp SA. (2015)-Logistical support and translations

I helped in the logistical support in the negotiations with an american supplier translating for both parties, at the end the negotiation was succesfull.

LANGUAGE

- Spanish (Native)
- English (Advanced)

ACADEMIC RESEARCH

- Undergraduate Thesis on how to bring more people to the football stadiums in Bogotá (2021)
- Student Busines Project (master´s degree final project) on how to bring more woman in to the K-league stadiums, in partnership with the Korean Football League (2023)
