Interests

Sports

Mainly football, a sport I have loved and that has always been a part of my life since childhood. I also enjoy tennis, basketball, rugby, volleyball, and more

Travel

Exploring new places and cultures, embracing local traditions

Food

Cooking and discovering international cuisines and flavors from around the globe

Umberto Fabbri

Bringing together a business background and experience in professional football, I leverage my expertise in player analysis, talent evaluation, and scouting to drive success within the football industry

Work experience

Video Scout

Since January 2025 [Minnesota United FC](#)

- Conduct video scouting across multiple European leagues (+200 profiles analyzed per season)
- Assess player performance and produce detailed scouting reports for recruitment decisions
- Utilize advanced video analysis software to evaluate technical, tactical, and physical attributes
- Monitor international transfer market trends to inform strategic player recruitment

Football Research Analyst

Since August 2022 [Moon Intelligence LLP](#)

- Deliver comprehensive and detailed pre- and post-match analysis for Italian Serie B games, providing actionable insights based on performance data
- Collect, analyze, and interpret performance data, including advanced metrics, to support data-driven strategies
- Maintain and update league data spreadsheets, ensuring accuracy, consistency, and timeliness for ongoing analysis

First Team Scout

From September 2021 to June 2023 [Ascoli Calcio 1898 FC](#)

- Conducted live scouting across Serie B, Serie C, Primavera 1 (U19) leagues and youth tournaments to identify high-potential targets
- Performed video scouting on international leagues to expand coverage and identify emerging talent
- Evaluated player performance and produced detailed and actionable scouting reports
- Collaborated with coaching staff to provide tailored insights and recommendations on potential signings

Talent Scout

From October 2018 to August 2021 [Freelance](#)

- Identified and evaluated promising players through live and video scouting, producing detailed reports and comprehensive player profiles
- Facilitated player introductions and managed client relationships, providing tailored support throughout the scouting process
- Collaborated with agencies across Italy, Scandinavia, and the UK, including Quorum Sports, Sport Stars Consulting, FSI – Football Scout Italia, and Soleon Sports

Additional education

Modern Scouting and Data-Driven Recruitment

October 2025 [Hudl Statsbomb](#)

Course focused on combining modern data analysis and tools with traditional scouting to evaluate players and build squads

Ajax Education Program - Youth Academy

November 2024 [Ajax Coaching Academy](#)

Course on Ajax's youth development methodology, talent identification, and modern academy-level scouting

Scouting and Game Analysis Specialist

September 2021 [MBP Coaches' School](#)

Course on professional scouting methodology, match analysis and data-driven performance evaluation

Football Scouting

From December 2018 to April 2019 [Barça Innovation Hub](#)

Course on professional scouting techniques and player performance evaluation

Education

Bachelor's Degree in Business & Management

From October 2015 to July 2019 [Università degli Studi di Torino](#) Turin, Italy

Successfully completed a 3-year business management degree program fully taught and assessed in English
