

# Irene Todisco

Law graduate with a strong academic background in sports management and a growing expertise in football governance, compliance, and international legal frameworks. Deeply passionate about the development of global football and its ethical, digital and structural evolution. Experienced in research, reporting, and administrative support, with a keen interest in project evaluation and regulatory integrity. Culturally adaptable, service-oriented and fluent in English and Italian, I bring a proactive and analytical approach, with a strong motivation to contribute to the success of FIFA's Member Associations through innovation, transparency and collaboration.
