Development & Mentoring

Arsenal FC | Academy Development Coach

2024 – Present

- Educate and co-ordinate staff with club training syllabus.
- Lead training programs aimed at enhancing player and coach development across all levels.
- Design, review, and report on session plans to ensure continuous long term player development.
- Build and maintain strategic partnerships to align with Arsenal's long-term development goals.
- Delivered high quality training sessions, leading to measurable improvements in player engagement and progression.

Chelsea FC | International Lead & Academy Coach

2020 – 2023

- Lead research, setup, and execution of international youth development programs in key markets, including Italy, Spain, France, Germany, Greece and Norway for recruitment.
- Mentored and developed over 50 coaches, delivering impactful training and enhancing program delivery across Europe.
- Designed educational resources that were adopted by academies in five countries, standardising training methodologies.
- Established and nurtured partnerships with clubs and stakeholders, increasing program participation by 20% annually.
- Spearheaded a grassroots initiative in Greece & Norway, engaging 2000+ players broadening Chelsea's global brand presence.

Crystal Palace FC | Academy (Boys) & Women 1st Team Coach

2016 – 2020

- Led team development and training sessions for the Boys Academy Foundation Phase, fostering talent and progression.
- Assisted in coaching the Women's Super League 1st Team, ensuring training aligned with performance and strategic goals.
- Utilized data analysis tools (PMA) to plan, review, and report session outcomes, optimizing player performance.
- Supported Boys Academy YDP age groups and ensured smooth integration across phases when required.

Watford FC | Men's 1st Team Assistant

2014 – 2016

- Supported 1st team managers (Jokanovic and Sanchez Flores) in training design, player analysis, and session delivery.
- Led small group sessions to address specific training objectives, achieving targeted weekly development goals.
- Mentored U21 players, providing individualized coaching and performance reporting to support their growth.
- Contributed to U21 group development, aligning training strategies with the club's vision for youth progression.

Fulham FC | Academy Youth Player

2003 – 2010

- Gained foundational training and tactical knowledge, progressing through the Academy's elite youth system.
