Summary

Scouting and analysis specialist with a Bachelor's degree in Sport Science (Sport Management) from Malmö University. Experienced in both individual player scouting and long-term strategic projects. Currently leading a personality profiling project with Malmö FF's senior team, alongside first-team video scouting duties. Skilled at identifying potential player recruits across European and South American leagues. Proficient in key scouting platforms and passionate about combining structured analysis with practical football insight.

Professional Experience

Malmö FF

1. Project Manager - Profiling Players | August 2024 - Present:

- Developed a structured approach to scouting potential player personalities on and off the field to enhance Malmö FF's ability to assess a player's cultural and mental fit with the club, contributing to more informed recruitment decisions and ensuring players are well-suited to perform and grow within the club's environment.

2. First Team Video Scout | March 2024 - Present:

- Scouted European and South American leagues using Wyscout and produced weekly reports on identified players.
- Evaluated targets based on input from agents, data, and other scouts; presented findings in weekly meetings with the Technical Scout.

Trelleborg FF

1. Individual Analyst | November 2023 - May 2024:

- Provided video analysis for the U16 academy team with a focus on individual feedback.
- Utilized XPS Sideline to deliver detailed analyses to players.

BK Olympic

1. Team Manager | August 2023 - November 2023:

- Supported the U17 youth team in various ways to help the coaching staff.

Stadium

1. Sales Assistant | June 2023 - August 2024:

- Assisted customers with product selection and provided high-quality service.
- Maintained store presentation and stock management.

KLS Ugglarps

1. SAP Administrator | June 2017 - August 2022:

- Managed administration and transport bookings in a large warehouse.

Education

Malmö University | August 2022 - June 2025:

Bachelor degree in Sport Science with a specialization in Sport Management.

Stagneliusskolan Upper Secondary School | August 2013 - June 2016:

Economics, Law and Language.
