

VICE KLANAC

FOOTBALL SCOUT & TACTICAL ANALYST

vklanac3@yahoo.com

Zadar, Croatia

PROFILE

I am a dedicated football scout and analyst with experience at AFC Ajax, specializing in player identification, match analysis, and tactical assessments. With a strong foundation in talent identification and additional certifications in tactical analysis, I have developed a well-rounded approach to evaluating players. My training at Ajax's renowned coaching academy has further deepened my expertise in elite talent development. I am passionate about applying my tactical insights and player evaluation skills to a professional football environment.
