OBJECTIVE

Education and competition are two vital experiences which coexist from the youth to the senior elite football. Thus, it is fundamental that coaches & technical directors focus on helping players develop continuously through self-knowledge and game (actions & interactions) and players (teammates & opponents) comprehension. My goal is to achieve it at the highest level in football.

EXPERIENCE

FC BARCELONA

General Technical Director BARÇA Academy | July 2021 – Present || Define & manage the structure, organization and methodology of the technical area for all the BARÇA Academies (550+ professionals).
