## Professional Profile

---

Accurate and professional in the field. Determined and willing to always learn. Preference of “play” over analytical sessions for improving individual and team skills (allow to work on principles of play and reasoning rather than mechanization or automation of gesture).

## Skills and abilities

---

- Football training methodologies
- Team management skills
- Video analysis of training sessions and competitions for improvement of field work
- Talent scouting skills
- Strong motivation and proactive attitude
- Advanced game strategies
