## ABOUT ME

I am a highly responsible, dedicated, and passionate individual with a proven ability to collaborate effectively within teams and foster strong relationships among my colleagues. As a professional assistant coach and tactical analyst, I bring several years of experience working with professional teams. Throughout my career, I have had the privilege of collaborating closely with coaches and technical directors.

My approach is characterized by meticulous organization, keen attention to detail, and unwavering commitment to excellence. I am always ready to propose solutions aimed at optimizing performance and strategies. My expertise has been refined through hands-on experience and active participation in various projects, which have afforded me the opportunity to engage directly with industry professionals and gain invaluable insights.

In my role, I am responsible for analyzing team performances, studying opponents' strategies, conducting individual player assessments, and generating comprehensive reports. I also specialize in analyzing set pieces and employing tagging during both training sessions and matches. I firmly believe that effective cooperation and communication are essential for success, and I am dedicated to fostering a collaborative environment where ideas can flourish and networks can be strengthened.

Moving forward, my goal is to continue expanding my knowledge and expertise in this dynamic field. I am committed to personal growth, willing to embrace challenges, and approach every endeavor with a positive and proactive mindset. Through hard work, perseverance, and a relentless pursuit of excellence, I am confident in my ability to make meaningful contributions and achieve success in all aspects of my professional journey.
