## ABOUT ME

Young and ambitious professional with 4 years of experience in analytical work, data processing, and problem-solving. Possessing a strong analytical mindset, attention to detail, and the ability to work efficiently both independently and in a team. Quick to adapt, eager to learn, and open to new challenges in a dynamic work environment. Passionate about continuous development, improving efficiency, and maintaining a proactive approach to tasks. Enthusiastic about sports and active recreation, bringing the same energy and dedication to professional growth.

## WORK EXPERIENCE

### **Wyscout – Ternopil, Ukraine**

City: Ternopil | Country: Ukraine

#### **Football Analyst**

[ 07/2020 – 07/2024 ]

##### **Key Responsibilities:**

- Conducted in-depth football match analysis, converting player actions into precise statistical data.
- Demonstrated strong attention to detail and concentration to ensure high-quality and accurate outputs.
- Improved work efficiency over time, consistently completing tasks faster than the average pace.

##### **Leadership & Problem-Solving:**

- Served as a key point of support for supervisors, assisting with both work-related and technical challenges.
- Assisted colleagues in analyzing controversial football moments and addressing technical issues, including system bugs and equipment malfunctions, by leveraging my experience.
- Took initiative in handling office-related challenges, including power outages, ensuring workflow continuity, and coordinating with remote supervisors.

##### **Team Engagement & Office Culture:**

- Adapted leisure activities to the sensitive realities of wartime, ensuring a respectful yet engaging workplace culture.
- Actively contributed to fostering a positive work environment by organizing team-building activities such as table tennis, PlayStation, darts, Counter-Strike tournaments, and group football match viewings.

### **Podillya Khmelnytskyi – Ternopil, Ukraine**
