

# Gabriele Trisolino

## Marketing Manager

### SUMMARY

I leverage my experience in marketing to help innovative companies achieve significant results. As a Marketing Manager with 3+ years of experience, I am responsible for the development and implementation of data-driven marketing strategies.

I am passionate about innovation and technology. One of my main interests is sustainable mobility, the subject of my experimental degree thesis. I am also a great sports enthusiast: I was a football referee for several years and led the social media team of the university sports management association. Every day I put my dedication into supporting companies in their decision-making processes, trying to generate a positive impact.
