## **SUMMARY OF QUALIFICATIONS**

<i>flexibility</i>	Throughout my stages I discovered to be a flexible person; in fact lots of time my colleagues asked me if I could work overtime. I accepted with enthusiasm, learning many interesting things
<i>reliability</i>	During my work experiences my colleagues give me the responsibility of the desk obtaining good results
<i>reliability</i>	I always respect the timetable and the deadlines
<i>kindness</i>	Any time that I have to speak or to communicate with someone I am always polite and friendly
<i>open-minded</i>	Through my experiences abroad I improved my communication skills and I became really open-minded
<i>determinate</i>	I always want to reach my goals (I wanted to do new life experiences therefore I spent almost 3 years in foreign countries)
<i>organisational spirit</i>	When I have to do a job I prepare a programme and I organise my time in order to achieve good results
