## Professional Experience

### Marketing Specialist - GENIE AI

February 2024 - Present

- Brought in to establish Genie AI's marketing department, I worked closely with the CEO and advisors to set up the initial structure and strategy.
- Leading the team, we launched the company's first marketing campaigns and created foundational content.

### Marketing Specialist - SwipeSwipe

July 2024 - Present

- In my current role, I am working on improving conversion optimization, performing keyword research and analysis, optimizing website SEO, and assisting with various marketing initiatives.

### Freelance Digital Marketer

2020 - 2024

- Designed and executed complete paid media strategies that raised conversions by more than 30% for my customers.
- Managed relationships with more than 20 clients in different languages and regions.
- Managed a team of 5 people that helped me get results for my clients in the most effective way.
