

## WORK EXPERIENCE

---

### FGS Global

*Associate Director - Equity Advisory & Investor Relations*

**London, UK**

Jan 2021 – Sept 2023

- Recruited to join a newly established business providing independent advice on companies' equity investment case; supported the team in doubling revenues in its second year of operation
- Advised companies during earnings seasons through preparation and review of presentations, press releases, Q&A and benchmarking analysis (operational, valuation and disclosure), with the aim to optimize communication with stakeholders and the market through equity story substantiation
- Project manager for a Capital Markets Day (c. 2 months project) of a €6bn+ market cap company; provided full support to the IR team in drafting materials and coordinating deliverables with business heads, resulting in a project fee increase of 50% and a doubling of the monthly retainer fee for the firm
- Organized an IR training day for the new IR team of a mid cap company; responsible for coordinating preparation of materials, logistics and follow-ups across all participants involved
- Project managed numerous perception studies with market players on behalf of clients and prepared comprehensive reports including key findings and recommendations for C-suite
