### PROFILE

---

I graduated in Motor Science at Tor Vergata and had significant practical experiences as a kinesiologist and sports operator at F-Medical Group and Real Eyes Sport. After the three-year course, I enrolled in the master's degree in Sports Sciences and Techniques. During this period, I promoted the sport activity in schools with the CUS of Tor Vergata and I carry out training in swimming with the AS Luiss and sport scientific research activities with the Luiss Sport Lab. Currently, I am doing an internship as a Data Analyst at SBL Sport Business Consultancy.
