

WORK EXPERIENCE

Sporting Clube Farense

2022 - Present

1st Team Coach / Head of Performance Analysis

- Conducted in-depth opponent analysis and created & presented detailed reports and videos, to players and head coach
- Responsible for own team post-match analysis, individual & collective
- Created a Performance Analysis department with the objective to structure workflows across all teams of the club, mainly U-23 & U-19 which compete in national divisions
- Developed youth team staff's performance analysis skills to ensure efficiency and accuracy in performance evaluation
- Achieved promotion to 1st Division in 1st season - Directly contributed to the development of a successful defensive strategy which helped the team finish its campaign as "Best defence of the league" with 8 straight wins in the last 8 games of the season
- Contributed to the development of youth player Mohamed Belloumi, who managed to get his first call up to Algerian National Team whilst at the club
- Competing in 1st Division against Portugal's best clubs

Olympiacos FC

2021 - 2022

**Assistant Coach U19 & Head of Academy Analysis
Individual Development Coach**

- Assisted the head coach in developing and implementing training programs to enhance the technical, tactical, and physical skills of U19 players
- Contributed to tactical planning and strategy development for upcoming matches, taking into consideration the strengths and weaknesses of both the team and opponents
- Led the team's performance analysis workflow, using video data to evaluate player and team performance of matches and training sessions
- Collaborated with coaching staff to identify areas for improvement in individual players and team dynamics and designed targeted training sessions accordingly
- Worked closely with players to provide one-on-one coaching and feedback, addressing their specific strengths and weaknesses
- Created an individual coaching methodology called "Tomorrow's Legends"
- Implemented individual player development plans, tracking progress over time and adjusting strategies to meet player-specific goals

WORK EXPERIENCE

Sporting Clube de Braga Performance Analyst

2020 - 2021

- Conducted in-depth video analysis of matches, providing insights into team and player performance, tactical strategies, and opponent analysis
- Collaborated closely with the coaching staff to identify patterns, strengths, and weaknesses in the team's play and opposition teams
- Supported the coaching staff in developing match strategies, making recommendations based on the analysis of opponents' playing styles and weaknesses
- Contributed in the development of players such as Vitor Oliveira (Later sold to Marseille), Alvaro Djaló (Currently in Braga 1st Team), Lukas Hornicek (Braga 1st Team), Rodrigo Gomes (Playing in 1st Division), among other players currently playing in Portuguese 1st division

Sport Lisboa e Benfica Assistant Coach / Analyst

2018 - 2020

- Worked closely with players such as João Felix (Barcelona), Florentino Luis (Benfica), Gonçalo Ramos (PSG), Jota (Al-Ittihad), Taarabt (Al-Nasr), Nuno Tavares (Nottingham Forest), among others to develop their technical, tactical, and physical skills
- Collaborated with the coaching staff to assess and fine-tune the team's playing style and strategies, aligning them with the senior team's philosophy
- Assisted in the development and execution of tailored training programs for specific players, addressing their unique strengths and areas for improvement
