ABOUT ME

Very creative, motivated to meet deadlines, demonstrated problem-solving skills and a team-oriented mindset. My diverse experiences, have enabled me to cultivate a robust vocabulary suitable for engaging with a wider audience. I possess excellent social skills and handle pressure well.

EXPERIENCE

Financial Analyst Research

Infosys BPM | Bloomberg Intelligence

2024 - Present

- Monitored and interpreted major company developments, identifying macro themes and market trends affecting target companies.
- Ensured data completeness and quality control for existing and new datasets, providing insights to improve key performance indicators (KPIs) such as revenue growth, profit margins, and market share.
- Calculated and analyzed quarterly and semi-annual financial metrics to evaluate company performance and support strategic decision-making.

Junior Accountant

Studio Tributario Branca

2021 - 2024

- Analyzed the economic and financial positions of client companies, offering strategic insights and recommendations.
- Developed advanced skills in Excel for budgeting, financial analysis, and reporting.
- Assisted in preparing financial statements, improving the accuracy of financial forecasting.

Social Media Manager

Influencer

2020 - 2021

- Managed social media for a YouTuber with 500k subscribers, achieving a 30% increase in views over 3 months.
- Successfully transitioned the audience from YouTube to Instagram, doubling follower count in 6 months.
- Developed and executed social media strategies based on trend analysis, maximizing audience engagement and growth.

Content Creator

Youtube & Twitch

2013 - 2020

- Expert in After Effects, DaVinci Resolve, Vegas, Photoshop, Premiere, and Lightroom, producing content tailored to digital marketing and branding needs.
- Produced over 200 high-quality videos, reaching 70k subscribers on one channel and 40k on another.
- Collaborated with brands on paid and sponsored ads, optimizing content for audience engagement and conversions.
