Experience

Assistant Coach

2017 to 2018

HANGZHOU CHENJINGLUN SPORTS SCHOOL

- Assisted head coach in coaching and managing multiple varsity sport teams, contributing to the development of over 100 student-athletes' fundamental skills through tailored drills and exercises.
- Implemented strategic drills and exercises, resulting in a measurable improvement of 15% in student-athletes' performance in key areas such as agility, speed, and technique.
- Actively participated in over 50 team practice sessions and contributed to the formulation of effective game day strategies, leading to a 20% increase in team win rate over the course of the season.
- Fostered a collaborative and respectful environment within the teams, evidenced by a 95% satisfaction rate among student-athletes surveyed regarding team culture and dynamics.
- Played a key role in cultivating a positive team culture, resulting in a significant decrease in disciplinary issues and a notable increase in team morale, as observed through a 30% reduction in conflicts and a 25% rise in overall team cohesion.

Management & Scouting

2019 to 2020

UNIVERSITY OF GHANA SPORTS DIRECTORATE

- Developed and managed a departmental promotional activities budget, optimizing spending to achieve a 15% increase in brand visibility and engagement within the target market.
- Conducted comprehensive game analysis and produced scouting reports for over 50 matches, facilitating strategic planning and contributing to a 10% improvement in team performance metrics.
- Spearheaded recruitment plans and strategies, resulting in a 20% increase in the number of high-caliber athletes recruited to the program within a single academic year.
- Monitored the performance and progress of 75 athletes, providing personalized guidance and advice, which led to a measurable enhancement in individual skill development and a 25% increase in athlete satisfaction with training programs.
- Implemented performance tracking systems to monitor athlete progress, resulting in a 30% reduction in injury rates and a 15% increase in overall athletic performance levels over the course of the season.
