Work experience

Aug. 2022 – Present	AFC Ajax Head of video youth scouting
---------------------	--

Responsible for the establishment of the video scouting department within the youth scouting department. Put together a team of more than 35 video scouts over the past 2 years. The recruitment of the video scouts was done through a self-created assessment.

The team of video scouts is responsible for all the video scouting activities across the youth scouting department and creates an overlap structure towards first-team scouting.

With the help of video scouting we are able to create a large filter at the front end of the scouting process.

Focusing on:

- Incoming tips from external sources

- Self-created sources through community scouting
 - Follow up on target players
 - Following specific league matches and tournaments

All good for a total of 250+ scouting reports per week.

Oct. 2020 – Present

AFC Ajax Professional international youth scout

International youth scout focusing on emerging talents (age 14-20 years old) within Europe (live and videoscouting) and outside Europe (video scouting).

Besides my scouting activities, I have

- Delivered scouting education programs to individuals and football organizations across the world for the Ajax Coaching Academy.
 - Supported the youth scouting department with the optimization of internal scouting processes and the development of scouting forms, and scouting evaluation protocols.
