- ➔ Licensed FIGC "Scout for Professional Clubs".
- ➔ Uefa B Coach.
- ➔ Match Analyst.

I would like to submit to your kind attention my interest in a possible recruitment in your club.

As shown in the attached CV, I obtained the FIGC qualification diploma as "Football Scout for Professional Clubs" in Coverciano.

In March 2024 I obtained the SICS certificate as Match Analyst - Tactical Video Analyst. I am also "UEFA B Coach".

In the last two seasons (2023/2024 and 2022/2023) I have been Assistant Coach and Match Analyst at Lentigione Calcio, a club that participates in the national championship of Serie D (fourth Italian League).

During the season (2021/2022) I was Assistant Coach and Match Analyst at the Bagnoles company, a company participating in the national championship of Serie D (4th League).

Previously from 2019 to 2021 I had 3 seasons of experience as a Scout in a Professional Society (A.C. Reggiana). Also at the Professional Society A.C. Reggiana I was coach in the youth sector for 2 seasons.

I am a dynamic, precise, reliable person and particularly interested in the Scout/Assistant Coach/Match Analyst profile.

Waiting for a kind reply, best regards.
