## ◆ ABOUT ME

I am a passionate creative guy with a keen eye for aesthetics and a strategic mindset. With 2 years of experience in the industry, I specialize in creating visually compelling content that enhances brand identity and engages audiences.

My expertise includes designing graphics for digital and print media, developing social media strategies, and crafting content that resonates with target audiences.

I also like to play football , cricket in my free time , sometimes binge watch movies or shows & even bit of travelling once in a while
