I started my career working as an administrative manager for a professional club. Then I specialized as a performance analyst for the first team and served as a Scout for young talents in the grassroots divisions. Recently I've been working as a Scout to look for players who fit the desired profile of the club and create a database.

Core Competencies

- Statistical Data Analysis
- Technical Analysis
- Performance Analysis
- Talent Search

- Project Management
- Strategic Planning
- Team Management
- Business Analysis

- Interpersonal Communication
- Teamwork
- Analytical Ability
- Prospecting Skills

Professional Experience

Performance Analyst |Padroense FC |Porto, Porto - Portugal   **August 2023 – until now**
